

Clearstone Corporate Dental Care Plan

AN EMPLOYEE WELLBEING BENEFIT DESIGNED TO SUPPORT LONG-TERM ORAL HEALTH

A healthy smile contributes to overall wellbeing, confidence and performance.

Our Corporate Dental Care Plan makes it easy to support your team with preventive dental care, helping to reduce dental problems, time off work and unexpected costs.

WHAT'S INCLUDED

Each employee receives:

- ✓ Two dental examinations per year
- ✓ Two 45-minute hygienist appointments per year
- ✓ Clinically necessary X-rays
- ✓ Personalised preventive care planning
- ✓ 10% off most dental treatments (excluding implants, Invisalign, Spark Aligners and specialist services)

BENEFITS FOR YOUR BUSINESS

- Supports employee wellbeing and overall health
- Helps reduce dental-related absence and emergency visits
- Improves productivity and focus
- Enhances your employee benefits package and supports retention
- Simple, low-administration solution with high perceived value

ADDITIONAL CORPORATE BENEFITS

- Priority booking for employees
- Dedicated corporate contact at the practice
- Flexible appointment times (early/late slots where possible)
- Optional workplace oral health sessions and education
- Family member access to the plan (optional add-on)

FLEXIBLE PAYMENT OPTIONS

We offer flexible arrangements to suit your business:

- Employer-funded plans
- Partially subsidised plans
- Employee-paid plans via direct debit

We will work with you to design a structure that fits your team and budget.
